ANGLE VALVE AV 3004-62 CF

Specifications

BRAND	BELLA	PRODUCT TYPE	ANGLE VALVE
RANGE	PREMIUM	MATERIAL	BRASS
PRODUCT CODE	AV 3004-62 CF	COLOR/FINISH	CHROME
CARTRIDGE	1/2" CORE		

Drawing

Technical Requirements:

The "O" ring and the spool connection thread are coated with silicone grease to ensure lubrication.

The threaded connection between the valve core and the body is filled with anaerobic glue to ensure the seal.

The product has no internal and external leakage under the action of 0.6-0.8MPa air pressure.

*All dimensions are in mm
