Looking down from above:  
Every inch of the bathtub is used  
Three massage positions:  
one person enjoys it alone freely  
the double position on the right bring more  
closer,  
A family of three can also enjoy it.  
Such a large interior space thanks to affinare  
The extremely narrow edge design maximizes  
the internal space.

Movable spout,  
Can be swung, save space  
in the bathtub, will not block  
the use.  
Full Copper with Plating  
Gives great texture

power on/off
